POTENTATE "2010" EDDY WHITCOMB

The Night at the Ritz, put on by the Short Shriners, was very successful; the entertainment was enjoyed by all. The Short Shriners made your Potentate an Honorary Short Shriner.

I was at the Wellness Fair in Brookline NH April 21st displaying Shrine items and information about the Shriners, telling people who we are and what we do. It's amazing how many people who don't know who we are and what we do.

Our Bingo is still slow. Bingo chairman is thinking of ways to improve attendance.

Bektash Clown and Hobo dinner was a huge success. There were about 165 people, the food was good and they dressed your Potentate up as a clown. It looked like a good job to me. Everybody seemed to enjoy it. I think the Short Shriners and the Clowns have hit the nail on the head. They opened these two events up to the public. The public was there to see what we do. I hope this will create new Masons and Shriners.

Montreal Visitation was a fun time to be had. I think that there are a few crazies in our counterpart group. They sure know how to have a good time. I thank Chief Rabban Rick Perry and his Lady Linda, Past Potentate Edmond Daneault and his Lady Elly, Biff Jackson and his Lady Jeanette for their support. We left Montreal Sunday morning to go home in a snowstorm.

I had a notice in the Bektash News to see if there was any interest in starting the Indian Head Shrine Club up again. Only two people showed up. I'll call for another meeting again soon

Yours in the Faith

RECORDER'S CORNER

As we approach the parade season many units will be looking for replacements to either play an instrument in a marching band, drive a motorized vehicle or just march. Whatever you decide to do make an impression on the public. New members are very important to the life of any organization but so are the ones we have. Get them involved. Lets make 2010 the best, the most fun and exciting year ever. Shrine Masonry started because many good and active Masons wanted a venue to relax and enjoy the camaderie of other masons. If we participate and enjoy ourselves we can encourage non Shriners to join. Let's try. Together we can make a difference.

A couple of months ago I electronically spoke to a young gentleman who was treated at our Montreal Hospital. See article on page 28. This young man could not say enough about the Shriners and what we did for him in our hospital. What a legacy for us. We do so much and ask for nothing in return. Shouldn't we concentrate all our efforts into telling this story and not complain about some trivial issue. We Shrine Masons are a special fraternity of dedicated men giving of our time and energy to help those less fortunate. I am so proud to be able to participate. After you have read his unedited article sit back and think….I was part of changing a young mans life. Truly amazing.

On page 30 there is a poem written by Sally Spence, the Clinical Manager for the Children's Treatment Center. The year was 2006 and yet, it still mean so much to so many.

Throughout the 2010 year there are many functions and events. Try to participate in as many as you can. If you don't know anyone just say… hello, my name is … and I'm proud to be a Shriner.

Yours in the Faith,
James L. Chase, P.P., Recorder

NOTES FROM THE BEKTASH DRUM AND BUGLE CORPS

♫ The Drum Corps stepped off their 2010 season with two parades on Memorial Day Weekend. Hooksett and Henniker. So now everything is in tune for the summer.

♫ We just appeared in our 60th Memorial Day Parade in Henniker. That appearance was acknowledged by the town with the announcement and cheers.

♫ The month of June gives a chance for family picnics and reunions as we have only one parade. On Saturday, June 26 we will form at the Library in Plaistow at 1 pm.

♫ Yours truly and Noble Robert Abbott have managed to get lost every year on the way to Plaistow. Last year we had to turn to the GPS on my cell phone to rescue us after I saw the signs to Hampton Beach . This year the GPS goes on the minute we leave Franklin . See you in Plaistow – Maybe.

♫ Enjoy the month of June as July is loaded with parades: Andover on the 4th, Hillsboro on the 11th, Pittsfield on the 17th (Picnic follows) and Charlestown on the 24th.

♫ FYI : The next parade free weekend is July 31/Aug. 1st.

♫ Details of the Drum Corps Picnic will be in the next issue of "Notes".

See you at the Parades,
Ron Parsons
Secretary

And lonely are the darkened days when solitude is known
When light is brought from darkness then truth will rule sublime

THE POINT WITHIN THE CIRCLE

By

Past Potentate Ed Daneault

This next article I wrote in 2007. It seems appropriate to do it again in 2010

All I Ever Needed To Know I Learned In "Kindergarten"

Most of what I really need to know about how to live, and what to do and how to be, I learned in kindergarten. Wisdom was not at the top of the list, but there in the sand box at nursery school and in kindergarten, these are the things I learned:

Share everything; Play fair; Don't hit people; Put things back where you found them; Clean up your own mess; Don't take things that aren't yours; Say your sorry when you hurt somebody; Wash your hands before you eat; Flush; Warm cookies and cold milk are good for you; Live a well balanced life; Learn some and think some and draw some and paint and sing and dance and play and work every day some; Take a nap in the afternoon; When you go out into the world, watch for traffic; Hold hands and stick together; Be aware of wonder.

Remember the little seed in the plastic cup, the roots go down and the plant goes up and nobody really knows why. But we are all like that. Goldfish and Hamsters and White mice and even the little seed in the plastic cup, all die. And so do we. Think of what a better world it would be if we all - the whole world - had cookies and milk about 3 o'clock every afternoon and then laid down with our blanket for a nap. Or, if we had a basic policy in our nation and in other nations to always put things back where we found them and cleaned up our own messes. To think some and draw some and paint and sing and dance and play. Take the time to say you're sorry. And it is true, no matter how old you are, when you go out into the world, hold someone's hand, stick together and tell him or her,

you love them.

Did You Know

The Month of June. This Month has 30 days with a Full Moon on the 26th.

Did you know that the first nighttime baseball game played under electric lights was played in Fort Wayne, Indiana. in 1883.

Special days in June. D Day June 6th 1944. President Reagan's famous speech in Berlin. "Tear Down This Wall" June 12th 1987. Flag Day the 14th. Fathers Day on the 20th and the first day of Summer on the 21st. 7:28 a.m. EDT.

The best days for fishing are the 12th through the 26th. Of course, any day is good for fishing. In fact, take the kids fishing and watch how fast they learn. Nothing like watching the kids have a great time. Remember, when the weather gets hot, the fish go deep. Watch for the hatches in late May and June. Stay clear of Black Flies and Nats (No See-em's) can drive you batty. Especially if you're stream fishing. Get some good bug juice and don't get any in your eyes. Fishing can be fun. Take the family.

Do you like gardening and plants? Well did you know, Scotsman William Forsyth (1737-1804) served as Royal Gardener at London's Kensington and St. James Palace and founded the Royal Horticultural Society. He built the first rock garden in England, using lava from Iceland and 40 tons of stone from the Tower of London. Later, he invented "Forsyth's Plaister" (sic) to heal tree wounds. (A sandal erupted when the plaster was revealed to consist of cow dung, wood ashes, powdered lime and sand mixed with soapsuds and urine.) Forsyth's plant honorarium, the bushy yellow Forsythia (in the olive or Oleaceae family), was awarded posthumously in 1804 by Danish botanist Martin Vahl.

Over the years some famous people have said memorable things about our canine companions. "If there are no dogs in heaven, then when I die, I want to go where they went."

Will Rogers (1879-1935)

This is an Important Message from Bernard Albert Theriault (Patient)

I'm writing this out of nowhere. I think this is more of a thank you note for everything you've done for me over the past ten years or more. In 6 months, the day I fear will happen, my last visit at the Shriners. I've dread that day since I turned 17. Saying goodbye to most of you will probably kill me. Every time I think about it, tears fill my eyes. I feel like part of me will die or like losing a limb. I've been going to the Shriners since 1995. 16 years. And I never regretted or feared any visit, operation or treatment. Going to the Shriners was like going to Disney land for me. The people I met there are filled with so much love, richness, joy, etc. the list could go on forever. The people there made me what I am today. The amazing person that I became. I hear a lot of them saying they can't be friends because of the job. But no matter what they say, they became friend in spite of it all. Everyone touched me in a way they cannot imagine. I sometime wonder if my life would be the same if I haven't gotten the luck of meeting all of you. And every time I think about it, the same answer comes to mind: never would I have the strength and self-esteem I have today without you guys. All these years, I've learned so much from you. I know it's time to move on. I see children saying to their parents they don't want to go to the Hospital; I stop and think if I ever said that or thought that. Never. That's go for the Shriners, obviously. It's hard saying everything I want to say in this letter. There's so much more. Knowing it's the last time I'll see most of you breaks my heart. You're the ones besides my parents that believe in me and that encourage me to continue. You're the ones that had hope in me, that make me want to continue and not give up. You were there for the most difficult time in my life, holding my hand. I have a hard time writing this without letting tears fall down. Right now, that 21 year old policy is making my life a living hell. I've never wanted this to end. But I guess all good things must come to an end.

Everyone at the Shriners had their take in helping me, even the ones I've never met. All the nurses, who kept smiling at me, giving me hope. The Physio and Ergo team, that were there holding my hand and making me break all my barriers making me push my limits and believing in me. The Doctors, Glorieux and Fassier and the rest of the team, that helped me get better, making me walk thanks to their ingenious ways. The Radiology team always had the word to make me laugh and smile no matter what the situation was. The "PARC" and the school team, Angie, Dominic, Marie, Maria and the others that made my stay at the Shriners a magical one each time. The Administration team, Audrea Smith, Rose-Marie, Marie-Claire, Josee Perron, and everyone else helped me in so many ways. To all of you I say thank you. You all deserve more than a mere thank you. Without you, Shriners Hospital for Children wouldn't be what it is today: a kingdom of hope for every child that is sick, a fun place to recover from everything, a place where they can be their self and a place where they are free.

I hope this letter reaches everyone at the Shriners. If you don't remember my name, I was number 20000 before the system changed. I would appreciate if you reply to this personally. My e-mail is Bernardtheriault@hotmail.com. I hope seeing you all in 6 months (16 June 2010), and again Thank you.

With Love Bernard Albert Theriault

THE TASSELLED HAT

By Sally Spence Clinical Manager
Children's Treatment Center
April 2006

Who are these men in tasseled hats,
Who help on clinic days?
For every child they have a smile,
And friendly word of praise !

How much they care is evident,
It's written on their faces.
And on their heads red, tasseled hats.
Which come in small black cases.

These hats have come to symbolize,
True kindness and good deeds,
For Shriner's special hospital,
Fulfills our children's needs !

Please wear theses hats at CTC
'Cause everybody says,
"The kindest and most giving men .
All wear a tasseled fez"!

SALEM SHRINE CLUB

Salem Shrine Club
107 Main St.
Salem, NH 03079

June 2010

Dear Nobles,

This notice is to remind you that the Salem Shrine Club will hold a meeting on Monday, June 14th at the Masonic Lodge building in Salem, NH beginning at 7:00PM.

Salem Shrine Club has been "dark" for the past year; our last meeting having taken place on June 1, 2009. At that meeting it was decided to lay over all business for one year ….. at which time a vote of the members would take place to determine the future of the Shrine Club. That year is nearly over.

The meeting that is being called for June 14th will be the one that determines whether Salem Shrine Club continues as an active club. If the current members of Salem Shrine Club or other Bektash Shrine members wish to continue the Salem Shrine Club please make every effort to be in attendance.

At this time, the (Acting) Officers of the Shrine Club have given no indication that they are willing to remain in their respective office. It is incumbent on Shriners attending this meeting, if they want the Shrine Club to move forward, be prepared to elect a new set of officers for the balance of this year and, subsequently, formulate a program for the Shrine Club consistent with the ideals of Shrinedom.

Yours in the faith,
Al Reynolds, (Acting) President
Dave Thompson (Acting) Secretary
Bud Valcourt (Acting) Treasurer

First Annual Hobo Dinner

Oh what a night! So many Hobos and one very special Tramp! So much good food and fun! We hope everyone had a good time! If you were not there, you missed a great party! If you were with us, we thank you for your participation.

There are so many people that made this event happen. First our Boss Clown, Scott "Clip" Hodgdon who took the risk of trying something new. It worked! Many in attendance want us to do it again. Our Cook, Billy "Dipp" McGowen worked his magic and produced a wonderful meal. If anyone went home hungry it wasn't his fault. From ham, pulled pork, hobo casserole, beans, coleslaw, peas and all the fixins, to a surprise cake made by Elli Daneault that was beautifully decorated and delicious! Of course the Dump cake was also available, but it sure didn't look as good or have quite the taste. From the set-up crew that did a great job decorating the hall and creating the center ring to the joeys that cleaned up after the event, thanks to all. We also want to thank Our Ladies: Brenda, Chris, Deb, Diane, Joan, Julie and the extra help in the kitchen provided by Jamie.

Bill "Monty" Mountford did a masterful job as MC. His coordination of the buffet lines and moving the program along was terrific! Monty also provided a history lesson for all in attendance. His clown lecture outlined how clowning has developed over the years and why the Hobo is so important in the USA. I think many of our guests have a better understanding of the different types of clowns and specifically the difference between a Hobo and Tramp.

Everyone had an opportunity to try their luck from ring toss to 50/50. Thanks Richard "Sporty" Ellis for the wonderful job with 50/50.

The clowns provided tricks, pocket magic, paradeability gimmicks and of course got several audience members involved. Dipp and Clip performed a couple of skits at center ring. I don't think that camera was loaded with film! David "Woo Hoo" Rouleau and David "Twinkle Toes" Dickson teetered a little water and balance routine. They were egged on by Chuck "Big Top" Tenney and Jason "Traps" Desfosses. We almost got Past Potentate Ed Daneault wet with the skit. We did a quick powder job on Richard Perry; I don't think he was expecting to be part of our action. Thanks Rick for being a good sport.

Last but not least, we did a short make-up session on our Illustrious Potentate Eddy Whitcomb, Sr. We decided that he had to be special and since there were so many Hobos in the room, he needed to be a Tramp. He really looked great. I think it was one of the fastest make-up sessions we have ever done. Thanks Eddy. Lady Barbara, you looked great with your red Clown Nose! Thanks for your support!

The economy has hurt several organizations that have supported us in the past. This Hobo Dinner helped us offset some of those losses. Our net profit for the night was $1,336.25.

Recording Secretary

A Mason is a man who believes in God and practices that belief. A Mason is a man who believes in brotherly love and practices his belief. A Mason is a man who uses the symbols of the builder to set for himself and his Brethren a code of life which refines his thoughts.

A Shriner is a Mason employing all the virtues and characteristics just mentioned.

The Shrine stands for all of Masonry and for wholesomeness in life. It stands for letting in the sunshine on discouragement, grief and woe and it would substitute hope for despair. The Shrine is made up of the finest type of man in every community, men who are glad to know, men who travel by preference along the sunny side of the street and who play a fair game all the time. They sow in kindness to reap in friendship. Membership in the Shrine gives us the right to wear its emblem and to participate in its good works as well as its pleasures.

The general public identifies Shriners by their red Fez, gorgeous costumes and parades. However, behind their fun and frolic is a burning desire to be of help to orthopediacally impaired and burned children, regardless of race, creed or color.

Every Mason should have a desire to become a member of the Shrine, and a member of the worlds greatest Philanthropy: "Shriners Hospitals for Children".

To the promised land our friends have gone,
To the land of perfect rest;
Their work is done–and the setting sun
Has sealed their life's request.
They have left this earthly strand,
For the house beyond the sea,
Though the past is gone, they will still live on
To us all–Sweet in our Memory.
