Preliminary—2011 Bektash Potentate and Divan Installation Information

*** FUN FUN FUN WEEKEND ***

Please mark your calendars for January 7-9, 2011. Further information will be in the December issue.

Friday night will be a Ski Lodge Theme. Saturday Night is Formal.

POTENTATE "2010" EDDY WHITCOMB

2010 year is quickly coming to an end. It sure has been a busy year.

Anah Temple in Maine held their Visitation at Northeast Harbor. Nice boat ride, saw some harbor seals and other wildlife. Good entertainment by a Maine humor person and again plenty of good food.

Then off to the Northeast Field Days in Halifax N.S. Lady Barbara and I drove up and had Ill Past Potentate Allen Durfee and Lady Dot as passengers. It was a long drive but enjoyable. They had a parade about 1.7 miles long and the sideline was very well attended. Thanks to Ill. Shane Buchan and Lady Tina and their crew for a job well done.

We had a stated meeting Sept 20th with very few in attendance. The Car Show went well. We had nearly 50 cars; again, the crew did a great job, good food and disc jockey. Well done Biff and Craig!

The Short Shriners held a Ladies Tea. The word went out to over 100 Ladies. The Ladies that did come seemed to have a good time. The Drum Corps had

a Pot Luck Supper that went off well. Plenty of food. Thank you for the invitation.

I showed a membership film to Club Seven in Milford. The 29th of Sept Bektash Oriental Band and the Cheshire Shrine Club held a Potentate and Ladies Night that had a good group and excellent food. They had a Fire Prevention program and a good job done by Walter Young and his workers.

We had another meeting in Manchester to see if we could get the Manchester Shrine Club going again, but had no takers. I hope you next Potentate will keep having club meetings to get the clubs up and running.

We had a Membership Night at the Temple on Oct. 11th, another great job by SIMADI Shrine Club members and our Bektash Stewards. Thanks Guys.

First Lady Barbara and myself took a child from Nashua to Boston Burns for his final treatment. His mother was most grateful for the Shriners.

The Fall Ceremonial was a great success. It was made up as an Octoberfest, with German dress up and German food. We got six new Candidates to join Bektash, plus it was Bektash's visitation turn, where the other Temples come here. From what I heard everybody had a good time. There was a lot of dress ups for the event. We even had a German band with a lot of Polka playing. It was chaired by Ed and Elly Daneault, who put many hours of hard work into it. Great job by them and their helpers. You will see some pictures on pgs. 32-33 of this issue.

To my fellow Nobles, you are wanted and needed to help Bektash stay strong, it's up to you to get Master Masons to join Bekatsh Shrine.

Yours in the Faith Eddy W Whitcomb Potentate <u>November 2010</u> 9

RECORDER'S CORNER

November is the month when most Masonic organizations mail out the dues notices for the upcoming year. We are no different; Bektash members will also receive theirs. Fraternal dues

are vital to the continued operation of all groups and we hope that when you receive your 2011 dues statement, you will make payment promptly. Thanks in advance.

If you are not already a PCM (permanent contributing member) of the Shriners Hospitals for Children, this is a great time to make a tax-deductible donation of \$150.00 to our Shrine Hospital system. When you become a PCM, your dues are reduced by \$5.00 (the annual hospital levy). You receive a special dues card, a PCM certificate and card decal. In addition you know that your \$150.00 will be directed to the Shrine Hospital Endowment Fund and you will help in supporting the world's Greatest Philanthropy. Call the Recorder's Office if you have any questions about this opportunity.

As the year comes to an end, I wish to remind our Clubs and Units to start preparing their year end records, so that they can get all their records complete and into the Office on time. In this way your Shrine Center can get their records into the Imperial Office on time so that we can avoid any late fees.

Memorial Bricks at the Shrine Center are still available to purchase. See our ad in the Bektash News. If you would like to see our Memory Walk drop by the Shrine Center. It is located in front of building. You will notice that there are still blank bricks and we would love to have a brick engraved for you.

Rentals are doing well considering the economic environment we find ourselves in these days. Our bingo is doing fine but it is always the same people here every Thursday. Please let us know if you can help. Give Assisstant Rabban Bob St. Jacques our Bingo Chairman a call today at 603-934-4637.

It was mine and Len Peterson, Membership Chairmen to welcome our new candidates and their Ladies at the Fall Ceremonial. We had the opportunity to explain the benefits of becoming a Shriner and how they can become active with our Units and Clubs. We wish our new Nobles and their Ladies continued enjoyment of becoming a Shriner and their further personal satisfaction of helping our Hospitals, help our Kids.

In closing, I would like to say that our Shrine Center is in need of more Shriners and their Ladies to come out and support our events and to help in putting them on. There is so much to do and so few to help. Please become active, help us get new members; help us with work around the Shrine, the collection of aluminum tabs and most importantly, help us raise funds to help our Kids. Thanks.

Yours in the Faith, Joel Weinstein Recorder

NOTES FROM THE BEKTASH DRUM AND BUGLE CORPS

IN MEMORIAM

George West

☐ The nobles bid farewell to their Brother, Noble George West who took a ride on the Black Camel on Tuesday, September 28 at 12:40 pm. George was 87 years old. He joined the Drum Corps in 1972 and marched 36 of the 38 years. George was a trained musician and one of the few of us that could actually read music. Over the years he has been Leader, Drum Major, Bugler and any other position where he was needed. He was a dedicated member and proud of the Corps. He will truly be missed. Shalom ---

✓ Monday, November 1st will be our Thank-you/Dinner meeting. Camel's milk at 5 and dinner catered by Hart's Turkey Farm Restaurant at 6. The meeting will follow with a report from the nominating committee, annual reports and any issues presented to out leader. We will NOT be having a dinner meeting in January due to expenses.

↓ We wish everyone and all their families a very Happy Thanksgiving.

Fraternally, Ron Parsons, Secretary November 2010 ______ 17

A Shriners Hospital Statement

Shriners Hospitals for Children is a health care system of 22 hospitals dedicated to improving the lives of children by providing pediatric specialty care, innovative research and outstanding teaching programs for medical professionals. Children up to age 18 with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate are eligible for care and receive all services in a family-centered environment, regardless of the patients' ability to pay.

FRATERNAL AND HOSPITAL BROCHURES

All old brochures related to these two areas should be returned to the temple. We are presently beginning to use those brochures which have already been updated. Eventually all of the brochures will be redone. With the change in our name and the advent of third party pay activities, we must clean up our language and verbiage. Please return those to the temple and the brochures will be recycled. In this fashion no danger exists where the old forms may be used by accident.

THE POINT WITHIN THE CIRCLE

By Past Potentate Ed Daneault

You may have read this before, but its worth reading again...

The Mayonnaise Jar

A professor stood before his philosophy class with some items in front of him. When the class began, wordlessly, he picked up a very large and empty mayonnaise jar and started to fill it with golf balls. He then asked the students if the jar was full. They agreed that it was.

The professor then picked up a box of pebbles and poured it into the jar. He shook the jar lightly. The pebbles rolled into the open areas between the golf balls. He then asked the students again if the jar was full. They agreed it was.

The professor next picked up a box of sand and poured it into the jar. Of course, the sand filled up everything else.. He asked once more if the jar was full. The students responded with an unanimous 'yes.'

The professor then produced two cups of coffee from under the table and poured the entire contents into the jar, effectively filling the empty space between the sand. The students laughed. 'Now,' said the professor, as the laughter subsided, 'I want you to recognize that this jar represents your life.

The golf balls are the important things - God, family, children, health, friends, and favorite passions. Things that if everything else was lost and only they remained, your life would still be full. The pebbles are the things that matter like your job, house, and car. The sand is everything else -- The small stuff. 'If you put the sand into the jar first,' he continued, 'there is no room for the pebbles or the golf balls. The same goes for life. If you spend all your time and energy on the small stuff, You will never have room for the things that are important to you.

So... Pay attention to the things that are critical to your happiness. Play with your children. Take time to get medical checkups. Take your partner out to dinner.. There will always be time to clean the house and fix the dripping tap. 'Take care of the golf balls first -- The things that really matter. Set your priorities. The rest is just sand.'

One of the students raised her hand and inquired what the coffee represented. The professor smiled. It'm glad you asked'. It just goes to show you that no matter how full your life may seem, there's always room for a couple of cups of coffee to share with a friend.'

Some times we get too worked up in things that just aren't important... Lets have a cup of coffee!

BEKTASH ORIENTAL BAND

The Potentate and Ladies Night banquet that was put on by the Oriental Band and The Cheshire Shrine Club was a huge success. Fifty three people enjoyed a great meal put on by Papagallos as well as having a good social time with many friends. It was gratifying to see so many from both the Cheshire Shrine club and the O-Band there. Also many that were not members of either unit but traveled a long way to be there. Thanks to the many members of the Divan for being there also.

We were all there to give our thanks to ILL. Eddy Whitcomb, Potentate of Bektash Shrine and his Lady Barbara for all of the hard work and time that they have giving to the support of Bektash Shrine and all of the units. The Oriental Band gives a special Thank You to Eddy and Barbara for their understanding and support throughout the year.

Fall is well upon us and so is the Fall Ceremonial which will have come and gone by the time that you read this and we all know what's coming next. But you know this is a nice time of the year when we look forward to the holidays where friends and family get together. The Fez-Tival of trees is one of the big events to look forward to in November.

The Fez-Tival chairman Ed Daneault and Lady Elly and their committee need all of the help that they can get to make it work. Give them a call and ask them what you can do to help.

The Bektash Oriental Band takes this time to wish all a very happy and safe Thanksgiving.

Yours in The Faith, Walt Young

Did You Know"

Did you know the first bird domesticated by man was the goose. There are more chickens in the world than people and Chickens absorb vitamin-D through their combs from sunshine. The average hen will lay 227 eggs a year and Roosters can't crow if they can't fully extend their necks. A group of geese on the ground is gaggle, a group of geese in the air is skein. A duck's quack doesn't echo, and no one knows why. Chickens that lay brown eggs have red ear lobes. There is a genetic link between the two. The underside of a horse's hoof is called a frog. The frog peels off several times a year with new growth.

The hummingbird is the only bird that can hover and fly straight up, down, or backward! The hummingbird, the loon, the swift, the kingfisher, and the grebe are all birds that cannot walk. The largest bird egg in the world today is that of the ostrich. Ostrich eggs are from 6 to 8 inches long. Because of their size and the thickness of their shells, they take 40 minutes to hard-boil. (If you happen to like Ostrich eggs) The most frequently seen birds at feeders across North America last winter were the Dark-eyed Junco, House Finch and American goldfinch, along with downy woodpeckers, blue jays, mourning doves, black-capped chickadees, house sparrows, northern cardinals and European starlings.

What fresh-water mollusks produce red or pink-colored pearls? Its Mussels. What insect's larvae did New Hampshire hope to reduce by importing swallows and bats?

The mosquito's. Did you know that the experts recommend that Birdbaths be two-and-a-half-inches deep.

On a standard telephone keypad, the letters T, U, and V are matched to the number 8. The City of Hollywood was founded by a temperance society and only non-drinkers were allowed to live there. A V8 engine is shaped like a "V" and has eight cylinders. Manhole covers are round because that way they can not fall through the hole. Polar Bears have black skin. And Lady Godiva rode naked on a horse through the streets of Coventry to persuade her husband, Earl of Mercia, to reduce oppressive taxes.

Maybe we can start something here in this country.

Now you know...

Definition of a Mason and a Shriner

BEKTASH SHRINERS PETITION OF

	NAME (PLEASE PRINT)	
of:		
	CITY/STATE	
Received (date)		

A Mason is a man who believes in God and practices that belief. A Mason is a man who believes in brotherly love and practices his belief. A Mason is a man who uses the symbols of the builder to set for himself and his Brethren a code of life which refines his thoughts.

A Shriner is a Mason employing all the virtues and characteristics just mentioned.

The Shrine stands for all of Masonry and for wholesomeness in life. It stands for letting in the sunshine on discouragement, grief and woe and it would substitute hope for despair. The Shrine is made up of the finest type of man in every community, men who are glad to know, men who travel by preference along the sunny side of the street and who play a fair game all the time. They sow in kindness to reap in friendship. Membership in the Shrine gives us the right to wear its emblem and to participate in its good works as well as its pleasures.

The general public identifies Shriners by their red Fez, gorgeous costumes and parades. However, behind their fun and frolic is a burning desire to be of help to orthopediacally impaired and burned children, regardless of race, creed or color.

Every Mason should have a desire to become a member of the Shrine, and a member of the worlds greatest Philanthropy: "Shriners Hospitals for Children".

To the promised land our friends have gone,
To the land of perfect rest;
Their work is done—and the setting sun
Has sealed their life's request.
They have left this earthly strand,
For the house beyond the sea,
Though the past is gone, they will still live on
To us all—Sweet in our Memory.
