

Bektash Feztival of Trees Guidelines for Tree Donations

We have developed this list of guidelines and helpful hints to make the most of your support.

- All trees are artificial and are considered donations to the Bektash Feztival of Trees. All trees and wreaths will be raffled, and all items placed with the tree are part of the raffle.
- Trees must have lights, tree topper and a skirt or under tree display. Please keep in mind your tree may be viewed from all sides depending on location.
- The total height cannot exceed 9 feet (including the tree topper).
- Edible items, even wrapped or boxed are not allowed.
- Loose glitter, confetti, artificial snow, hot gluing or spraying of anything are not allowed in the hall during the setup.
- If you have items of value such as gift cards or lottery tickets, please make copies to place on the tree and turn in the originals to a Feztival team member at check in to be stored for safety and given to the tree winner. It's advisable for larger items of value should be secured to the tree with wire or tie wraps. Gift baskets should be wrapped in cellophane to keep contents secured.
- Helpful items to have when setting up: a stepstool or ladder, if the size of your tree will require one. Scissors, tape, tie wraps, wire, ornament hooks, extra lights. Feztival will supply extension cords.
